

CITB SMSTS

LEARNING OUTCOMES FROM THIS COURSE:

CITB SMSTS covers all relevant legislation affecting safe working in the building, construction and civil engineering industries. It highlights the need for risk assessment in the workplace, the implementation of the necessary control measures and adequate communication to sustain a health and safety culture within the workforce.

This course is endorsed by Build UK as the standard training for all construction managers.

Virtual delivery option

This course has been designed so that we can deliver it in a traditional classroom setting.

We can also deliver this via a virtual classroom.

Consistent interaction

This course is designed to include consistent opportunities for learners to engage and interact.

This will make the course both more enjoyable and more impactful for those attending.

CITB certificate

Certification for this course is valid for 5 years.

To remain certified in this area, you will need to take a refresher course before the expiry date on your certificate, otherwise the full course will need to be retaken.

What people say...

"everything was communicated and presented to us really well, meaning anything we didn't understand was explained again ensuring knowledge was there"
